PROFESSIONAL EXPERIENCE

Web Developer Intern – StarLab Academy, Lagos

Nov 2024 – Sep 2025

- Developed and maintained responsive web interfaces using React.js, HTML5, CSS3, and JavaScript, ensuring optimal viewing experiences across desktops, tablets, and mobile devices.
- Collaborated closely with design teams to translate UI/UX mockups into clean, reusable, and maintainable production code.
- Built and co-managed component-based frontend structures, improving code reusability and consistency across multiple projects.
- Conducted basic unit testing to verify code functionality and catch bugs early in the development cycle.
- Worked within an Agile team environment, participating in daily stand-ups, code reviews, and sprint planning to deliver features on schedule.
- Coordinated with backend developers to integrate RESTful APIs, ensuring smooth data flow between frontend interfaces and server-side logic.

KEY PROJECTS

- **Chat Web Application:** Built a real-time messaging UI with React.js, focusing on dynamic state management and a responsive, mobile-friendly layout.
- **Departmental Grouping System:** Developed an interactive JavaScript tool with a clean component-based UI to categorize and display user data efficiently.
- **Portfolio Website:** Designed and deployed a fully responsive personal portfolio using HTML, CSS, and JavaScript to highlight development projects.
